The Do's and Don'ts of Government Personnel Data

Join us to learn the ins-and-outs of personnel data. Come prepared to discuss your own experiences working with personnel data.

The workshop offers:

- Background information on data about government employees and data related to employee investigations and discipline
- Advice on the new legal requirements related to data breach investigations and notifications
- Discussion about the MN Supreme Court's recent decision related to challenging data in performance evaluations
- An opportunity to apply your knowledge in hands-on exercises
