

An Intro to Data Practices Policies & Procedures

Need a primer or a refresh about your responsibilities related to data practices in state or local government? Then this **workshop is for you!**

The workshop offers:

- Background on government data and a government entity's legal duties
- Advice on the recent legal requirements related to appropriate access to not public data and data breach investigations and notifications
- Help creating or updating customized data practices policies and procedures
- An opportunity to apply your knowledge in hands-on exercises
